

Why Vivint Essentials?

Get the peace of mind that comes with a DIY security package that you build out according to your needs and budget.

Cost-effective security coverage

Begin with the basics. The Vivint Starter Kit includes your choice of a Doorbell Camera Pro or an Indoor Camera.

Help when you need it.

Every Vivint Essentials system is backed by our award winning, 24/7 monitoring

Be alerted to the unexpected.

Get instant notifications if smoke, CO, or water is detected to prevent major damage

Simple setup, convenient control

Just use the Vivint app to install your system and control it from anywhere

Smarter detection, better protection.

Know immediately if an entry is breached with sensors and detectors and alerts

Customized for your needs.

Add devices to your system as your security needs evolve
