

Comprehensive, Omnichannel Payment Solutions for Your Smallest Merchants

In today's fast-paced commerce world, micro and small merchants face unique challenges in managing payments across various channels. NMI Payments is here to transform this landscape with an all-in-one, omnichannel payment solution. Our platform empowers your merchants to accept payments in-person, online, on mobile and in unattended spaces.

NMI Payments streamlines setup, allowing you and your merchants to start transacting fast so you can see revenue sooner. Our solution is not just budget-friendly; it's a robust, secure and PCI-compliant system that scales with your business.

Affordable POS Solutions:

We understand the importance of affordability and simplicity in payment processing, especially when your smallest merchants take card-present payments.

That's why we offer ID TECH VP3350 and Tap on Mobile as low-cost, easy-to-integrate point-of-sale options. Our goal is to streamline your payment process, making it easy to focus on what you do best: growing your business.
